

## Privacy Policy

Privacy matters. The Early Learning and Care Council of Australia (ELACCA) is committed to ensuring that your personal information is protected when you support and participate in our important work.

ELACCA represents Australia's largest private and not-for-profit providers of early learning and care services who operate more than 2200 centres across the nation.

On occasion ELACCA will deliver campaigns supported by its member providers. Information collected during the course of campaign activities is not shared with these providers other than during the course of a campaign.

We collect personal information to allow us to send updates and information about our organisation and activities. For example, when an email is sent to us or information is provided over the phone, we may retain this in order to respond to the inquiry.

ELACCA may collect your personal information when contacted with a query, comment or feedback by email, or when a post appears on our social media pages or when action is completed that we promote, from time to time.

We collect this personal information for the purposes of responding to your query, comment or feedback, and for other purposes, as described above.

We do not disclose personal information to any third parties except in circumstances where it is necessary in order to carry out campaign actions or where it is required by law. This may include, but is not limited to, providing details to mailing houses, printers and IT contractors.
